

In Loving Memory of

A Dear Dad

John Clark

1985~2014

Love and miss you always

Dad's Verse

I had my time now let me go
And these loving words will help to show
That a father's love will never die
So lift your head and please don't cry

Just wave goodbye to fallen tears
And think of all those happy years
For what I had, was something sweet
My family made my life complete

If you listen to your loving dad
And wear a smile and don't be sad
Then you will make me so content
In this peaceful place where I've been sent

So take the future in your stride
And I'll look down with glowing pride
And my little verse will make you see
That you're never far away from me.
